# WELCOME MESSAGE BY THE PRESIDENT

It gives me immense pleasure to welcome you to the Shaheed Zulfikar Ali Bhutto Institute of Science and Technology (SZABIST). Over the past many years SZABIST has made remarkable progress in increasing its market reputation both nationally and internationally. This is evident from the increased enrollment in its five campuses (Karachi, Larkana, Hyderabad, Islamabad, and Dubai) and expansion in the academic programs.

At SZABIST, we provide students with high quality market relevance and skill-based education, enabling them to become responsible citizens and simultaneously productive members of Pakistan's economy.

SZABIST maintains a high standard of education; we place a priority on highly qualified faculty and professionals who provide a conducive and supportive learning environment. In addition to a wide spectrum of disciplines, SZABIST offers exciting opportunities for co-curricular activities. Student societies of SZABIST organize guest speaker sessions, arrange workshops and build networks with the Alumni and renowned companies for assistance in job placements.

Education from SZABIST is one of the best investments for a successful professional career. We encourage our students to work hard and strive for excellence in every aspect of their academic career.

**Ms. Shahnaz Wazir Ali**

# WELCOME MESSAGE BY THE VICE PRESIDENT ACADEMICS

Congratulations for being a part of SZABIST family. The institution enjoys a high reputation due to its professional environment and dedication to impart quality education. The institution has crossed 20 plus years of its existence. Its exponential growth speaks itself of its popularity. It is fully recognized by all regulatory bodies in the country, such as HEC, PEC, NCEAC, NBEAC, NACTE, CIEC (Sindh). It is a member of several international associations, such as International Association of Universities (IAU) Paris, Association of Commonwealth Universities (ACU) London, Association of Advance Collegiate School of Business (AACSB) Singapore, Asia University Federation Seoul, Asia-Pacific Quality Network (APQN) China, etc.

The institution is committed to preparing students in diversified areas of learning, such as Management Sciences, Computer Sciences, Media Sciences, Bio-Sciences, Social Sciences, Mechatronic Engineering, Law and Education. The learning outcomes of the courses and programs have been carefully designed to compel the students to develop critical & creative thinking and to acquire problem-solving skills. We understand, University without Research is tantamount to Body without Soul. That is why we give high priority to research seminars and encourage our students to write research articles at every stage.

We understand the very significance of counseling and guidance, which our youngsters require at every step during their course of studies and beyond that. This is done through the well-trained Program Managers in every program. Our Executive Development Center (EDC) looks after the job placements and builds linkages with alumni. That's why our alumni are our face value.

Our strength is our ERP, developed by our own software house. We fully make use of modern IT tools in teaching and managing our academics and ensure quality education through ongoing and systematic assessments throughout the semesters. We have been awarded 93% score by QEC/HEC.

Finally, we believe in building the personalities, not merely producing degree-holder graduates. This we ensure through conducting seminars and guest lectures frequently by eminent personalities, through our students' societies, which are responsible to arrange co-curricular and extra-curricular activities round the year.

Please go through this entire Handbook to know about rules and policies about SZABIST.

# RULES GOVERNING FINANCIAL ASSISTANCE

SZABIST, in meeting its social responsibility, provides financial assistance to majority of its students. This enables hard working and bright students to acquire higher education that otherwise would be out of their reach.

Financial assistance is provided through “Program Fee Concessions”, and “Scholarships”. All scholarships cover full or partial tuition fee; however, in some cases scholarships also cover books, boarding, transportation, monthly stipend, and admission fee. The two types of scholarships available are: “SZABIST-funded Scholarships” and “External Donor Agencies-funded Scholarships”.

## SZABIST-Funded Scholarships

SZABIST funded Scholarships are available for all programs except external programs.

## SZABIST Need-Based Scholarships

- SZABIST Need-Based Scholarships are offered in September each year, covering two semesters. The eligibility is based on:
  - Need and merit as determined by SZABIST, and
  - Assessment through a panel interview.
- For renewal of scholarship in second semester, a minimum CGPA of 2.5 is required.

## SZABIST Merit-Based Scholarships

- SZABIST Merit-Based Scholarship will be awarded from Second semester onward, and is renewable for each semester depending on student’s performance.
- The total amount of scholarship per program per class is equal to a full semester tuition fee of the next semester. For example, if a student is found eligible for scholarship in Fall Semester, he/she will be awarded full fee waiver for the following spring semester.
- Student with the highest semester GPA is eligible for Merit-Based scholarship, provided the candidate has:
  - Obtained a minimum semester GPA of 3.50
  - Taken full load of courses during regular semesters i.e. fall and spring, both for calculation of Semester GPA and availing the scholarship.
  - Students with extra and repeat courses are not eligible for the Scholarship.
  - Students enrolled in subsidized programs are not eligible for the Scholarship.

- If there is more than one student with same results in a semester, then the scholarship amount will be distributed equally among the eligible candidates.
- Upon maintaining the same status, the scholarship may be extended for the next semester, provided the criteria are met for that semester.
- In case of other claimant (if any) with higher Semester GPA, respective scholarship will be withdrawn and the amount will be adjusted.
- The above scholarship guidelines are subject to change at any time and for any semester as approved by Academic Heads, and will be applicable to all new and continuing students.
- The scholarship program can be withdrawn at any time as approved by the Academic Council.

### External Donor Agencies-Funded Scholarships

- SZABIST also awards scholarships in collaboration with external donor agencies, such as:
  - United States Agency for International Development (USAID)
  - Sindh Endowment Fund
  - National ICT R&D Fund
